

BLUE LINK ERP

EXTENDED PROFILE

OVERVIEW

Blue Link ERP is an all-in-one inventory management and accounting system aiming to cater for the needs of small and medium-sized businesses.

Primarily the Blue Link ERP system tailors towards the needs of wholesalers and distributors. Offering contact management and ecommerce integrations, the software is suitable for companies with existing processes in place and those buying their first system.

A customizable ERP system, BlueLink has multi-language and multi-currency capabilities.

Available as a cloud or on-premise system, Blue Link ERP can be accessed via devices with an internet connection and via their iOS app.
